NATIONAL TAIWAN UNIVERSITY

Table of Remuneration Standards for Faculty and Staff Members (Effective January 1, 2022) Unit: NT\$

Salary points (Employees under the new system)	Pay grade (Faculty members and employees under the old system)	Monthly base salary	Academic research fees for educational personnel	Civil servants' professional additional pay (for employees under the new system)	Supervisory additional pay
250	110	17630		Base salary points: 320-340 20630	
240	100	16920		Base salary points: 290-310 20290	
230	90	16210		Base salary points: 230-280 20240	
220		15490			
210		14990			
200		14480			
190		13980			
180		13480			
170		12970			
160		12470			

Remuneration calculation method:

1. Faculty members and teaching assistants: Total remuneration = Monthly base salary + Academic research fee
2. Employees (under old and new systems) and campus security guards: Total remuneration = Monthly base salary + Professional additional pay
3. Those serving in a management position who are entitled to supervisory additional pay shall also receive the supervisory additional pay for the position (or an equivalent rank).
