## Re-review Report for Differential Pay to Distinguished Professors

April 2021 version

Associated unit	_____ College (Center) _____ Department/Division/ Graduate Institute/Center/Degree Program	Chinese name of the distinguished professor	
Regulation in effect	Article 2, Paragraph 1, Subparagraph _____ (or equivalent to Subparagraph __) of the <i>NTU Directives for Appointing Distinguished Professors and Implementing Their Differential Pay</i>		

**Please explain in detail the specific research performance meriting additional pay (please explain in accordance with each article below, in principle on a single page typed in Times New Roman, font size 12, with 18-point line spacing).**

1. The candidate's most recent representative research results (list up to five research results; please write the name, year of publication, title of work, journal, number of volumes, and number of pages).
2. Up to five achievements/invitations to speak at important meetings/awards (e.g., was an academican at Academia Sinica, was awarded a National Professorship or Academic Award by the Ministry of Education (MOE), won a MOST Outstanding Research Award, won an Outstanding Scholar Award issued by the Foundation for the Advancement of Outstanding Scholarship).
 

※ Please comply with Article 4, Paragraph 1, Subparagraph 2 of the *NTU Directives for Appointing Distinguished Professors and Implementing Their Differential Pay*. Starting in 2020, re-review of qualifications as stipulated in accordance with Article 2, Paragraph 1, Subparagraph 5 shall comply with said subparagraph.

If Subparagraph 5 is in effect for the re-review, in addition to providing an explanation of awards won during the differential pay period, please list the following awards:

  - 1) At least three NTU Distinguished Teaching Awards (candidate required to have received two of the awards when serving as a professor).
  - 2) Either the MOE's Distinguished Award for General Education Teachers or the MOE Excellent Teacher Award may be viewed as equivalent to one NTU Outstanding Teaching Award.
3. Other achievements (e.g., served as a director or supervisor of an internationally known academic society; worked as an editor, associate editor, or reviewer at a renowned international academic journal; or acquired a patent or had a specific technology transfer ).
4. Please briefly explain the candidate's representative academic contributions.

Please list the grant projects for which the candidate served as the principal investigator during the differential pay period (for which the source of funding was MOST, the Council of Agriculture, etc.).

**Note: Under "Status," please fill in "1" for "application submitted" or "2" for "approved."**

Status	Project no.	Project title	Project duration	Source(s) of funding
