

Attachment 3

If the applicant has made academic contributions by publishing 1 or more individual work(s) or 3 or more important academic papers related to the courses taught in renowned domestic or foreign academic journals within 5 years prior to the mandated retirement age or the expiry of the service term extension:

- 1. It must be considered equivalent to such criteria as serving as an Academician of the Academia Sinica, having won a Ministry of Education Academic Award and/or The Distinguished Award for General Education Teachers, or having won a MOST Outstanding Research Award (ORA) two or more times.**
- 2. For papers published within the last five years, select (check ✓) one of the following categories under “Submitted to Indexed Journal” (not required if the requirements have not been met).**
- 3. If the name/title of the journal, published work, or paper is in a foreign language, please translate the name/title into Chinese. Please type or write in block letters.**

Amended 2018.07

Year	Name of Journal (including volume and date of publication)	Title of Work/Paper (list all authors in sequence and underline the applicant’s name)	Submitted to Indexed Journal (Please select one of the following if applicable)			
			Science Citation Index (SCI)	Engineering Index (EI)	Social Sciences Citation Index (SSCI)	The journal was not submitted to an Indexed Journal, but has been approved by the college (academic program) faculty review committee to be at the same level.
【Please read the instructions before filling out this form】
